

Volvo Genuine Service Does Make A Difference

Volvo's commitment to automotive excellence is exemplified in our three core values – safety, quality and environmental care. The fact that you chose Volvo says something complimentary about your values, too. It sets you apart from other drivers as an individual who expects and appreciates superior quality, mile after mile, without compromising safety, driving pleasure, or the environment. It's all part of the unique enjoyment of owning a Volvo, a special feeling of confidence that your car can and will go the distance. Volvo Genuine Service is our ongoing commitment to you: to keep your Volvo performing smoothly long after other cars have given up.

Volvo Genuine Service offers:

- Factory-trained technicians
- Expert inspection/evaluation
- Fixing the car right the first time
- Factory technical procedures
- Volvo diagnostic equipment
- Volvo special tools
- Genuine Volvo parts
- 12-month limited warranty

The complimentary Factory Scheduled Maintenance service at the first 7,500 miles regularly scheduled maintenance interval is honored at any authorized Volvo Retailer in the United States. Coverage begins with the date the vehicle is delivered to the original purchaser or the original lessee, or on the date the vehicle is placed in service as a "demonstrator" or "company car." This service is associated with the vehicle and cannot be transferred to another vehicle. The complimentary Factory Scheduled Maintenance service at 7,500 miles is transferred automatically to subsequent owners of the vehicle within the program period.

The complimentary Factory Scheduled Maintenance service at 7,500 miles should be performed within 1,500 miles of the normal service interval listed in the Volvo Warranty and Service Records Information booklet. Service intervals missed by the owner will not be performed. An authorized Volvo Retailer will perform the service that is appropriate for the mileage or age of the vehicle. Volvo recommends that you bring your vehicle in for service at least once a year regardless of mileage.

Items Not Covered:

- Wear items outlined in the Volvo Warranty and Service Records Information booklet
- Damage to the vehicle resulting from normal wear and tear or abuse
- Vehicles severely damaged and/or declared to be a total loss by an insurer
- Severe operating conditions requiring additional services
- Customer requested services or Volvo Retailer suggested services not specified in the Volvo Warranty and Service Records Information booklet

SERVICE MADE SIMPLE. PEACE OF MIND YOU CAN COUNT ON.

A Complimentary Service Is Just The Beginning

Volvo is committed to caring for both your car AND your peace of mind.

To further enhance your ownership experience, we offer a complimentary Factory Scheduled Maintenance service at 7,500 miles – the first regularly scheduled maintenance interval. This is available on all new Volvo vehicles sold in the U.S. beginning with the 2006 model year and can be performed by any authorized Volvo Retailer in the United States.

Here's What's In The 7,500-Miles Service:

- Check all passive and active safety systems
- Check onboard diagnostic system
- Engine oil and filter replacement
- Reset Service Reminder Indicator (SRI)
- Check/adjust engine coolant, power steering and washer fluid levels
- Check wiper blades, brake fluid level and brake pads
- Check tire pressure, wear and condition

We will also take this opportunity to personalize specific car settings to meet your preferences. These could include items such as heated seat temperatures, courtesy light delay timing and Home Safe lighting delay timing.

Upgrade Your Peace Of Mind

Regular maintenance is vital to the life of any vehicle. Volvo offers several purchase options for complete Factory Scheduled Maintenance Programs – specifically designed to meet your needs. Each program will cover all the maintenance as recommended in your warranty and maintenance booklet.
